Glo-Ball Ceiling Light by Flos

Part of the [Glo-Ball collection](#), the Glo-Ball ceiling light is available in two sizes, the smaller **C1** and larger **C2**. Made of an opaline glass diffuser and a fibreglass base, the ceiling light is installed flat onto your ceiling. It provides a diffused and warm light in your space, illuminating everything around it.

Two smaller ceiling lamps are also available: the [Glo-Ball Ceiling/Wall Zero](#) and the [Glo-Ball Mini](#). The Glo-Ball ceiling lamp, designed by Jasper Morrison, is a modern classic. The simplicity of its design gives the light a timeless quality. Its minimalistic design makes it truly versatile in its application, as it easily integrates into different interior styles and rooms.

A compatible [Flos bulb](#) can be purchased separately. Please check individual bulb pages for product compatibility.
