PRODUCT DESCRIPTION

Designer: Defne Koz

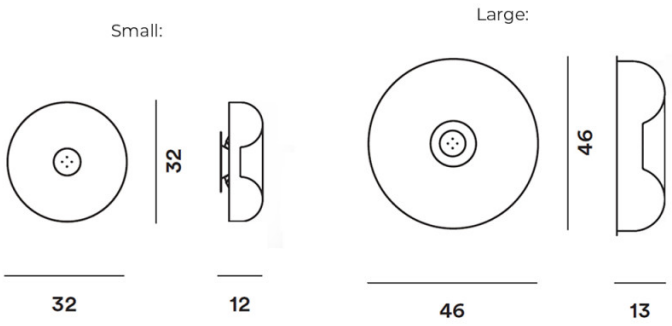

Foscarini Circus Ceiling / Wall Light

The Foscarini Circus Wall/Ceiling Light is a beautiful, elegant light that utilises a curved minimalistic silhouette to produce a warming and welcoming indirect illumination. The name Circus comes from its circular shape and the lampshade is made from gorgeous blown glass. The light is diffused by the glass, creating an evenly-spread illumination that is soft and warm.

The Circus ceiling/wall light is available in 2 sizes, small and large, so you can find the right size for your space. Incredibly versatile, this lighting solution can be used on walls and ceilings and will provide enough illumination to fill the room, whether you use it alone or in multiples. To create variety, display several in different sizes to create a magnificent cluster that is chic and the epitome of stunning Italian design.
