PRODUCT DESCRIPTION

Designer: Robert Dudley Best

Gubi Bestlite BL5 Wall Light

Designed in 1930 by Robert Dudley Best, the BL5 Wall Light is a masterpiece of functional elegance. Drawing inspiration from the Bauhaus movement, this lamp showcases the designer's dedication to clean lines and practical design. Originally embraced by industrial settings such as garages and RAF engineering departments, the BL5 quickly rose to fame for its sophisticated form and unmatched adaptability. The wall lamp features a height-adjustable arm that slides along a sleek tubular bracket, enabling you to customise the position of the light. The arm also swivels and bends, while the shade can be angled to create focused illumination. These flexible elements make the BL5 an excellent choice for reading, task lighting, or adding a warm glow to any room.

With its minimalist design, the BL5 Wall Light is suitable for a variety of settings, from bedrooms and lounges to offices and kitchens. Available in three base finishes, including Chrome and Black Brass, and a selection of shade colours, the BL5 can be tailored to complement your interior scheme. Its timeless aesthetic ensures it remains a stylish addition to contemporary and classic spaces alike.

A true icon of British design, the BL5 Wall Light combines history, functionality, and beauty in a piece that continues to captivate and inspire nearly a century after its creation.

PRODUCT SPECIFICATION

Light Source: 1 x Max 28W E14 (Excluded)

IP Code: 20

Dimming: In-line on/off switch included on cable.

Dimensions: Shade: Ø16cm
Shade Height: 14cm
Height: 47-80cm

Wall Mount Height: 48cm
Cable Length: 200cm
