PRODUCT DESCRIPTION

Designer: Philippe Starck & Eugeni Quitllet

Flos Miss K Table Lamp

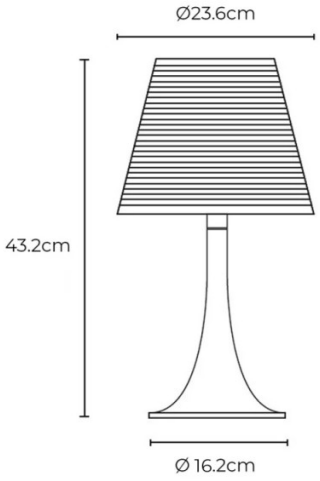

A contemporary light, the Miss K Table Lamp was designed by Philippe Starck for Flos and has since become a staple piece in the brand's collection. Miss K is a modern work of light art, made with two diffusers, an internal and coloured external one. The inner diffuser creates a warm, evenly spread glow, which creates a welcoming and inviting atmosphere. The table lamp also comes with a dimmer integrated into the cable so you can easily create the perfect ambience to suit your needs.

The Flos Miss K Table Lamp can be used as a bedside light or in your living room, office or dining space. The modern design and shape of this lighting solution add to its beauty and will be a unique piece of lighting for your interior. Available in various finish options, Miss K can adapt to a variety of personal styles. You can also match this light with others from the **Flos KTribe collection** to create a room filled with Philippe Starck's innovative light designs.

Please Note: We also supply spare shades for the Flos Miss K Table Lamp.
