## PRODUCT DESCRIPTION

**Designer:** Robert Dudley Best

### Gubi Bestlite BL10 Wall Light

The Bestlite BL10 Wall Light, designed by Robert Dudley Best in 1930, is a stunning example of Bauhaus design and British craftsmanship. Originally favoured by tailors for its highly adjustable arm and shade, the BL10 quickly gained recognition for its functionality and iconic aesthetic. Its timeless design was lauded in *Architects Journal* as the first evidence of Bauhaus influence in Britain, securing its place as a modernist classic. This wall light offers exceptional versatility, allowing you to direct light precisely where needed with its adjustable arm and pivoting shade. The BL10 is perfect for bedside lighting, reading in the living room, or highlighting specific areas of your home.

Its sleek and minimalistic form is complemented by two subtle finish options, Chrome and Black Semi-Matt, ensuring it suits a variety of interior styles. Whether used for function or ambience, the BL10 Wall Light adds a touch of elegance and history to any space.
