Clavius BR Wall Light by Axolight

Part of the classics collection of Axolight, the Clavius lights were designed by renowned Manuel Vivian. The wall light has a metal frame in chrome or gold finish. A rectangular shade completes the lamps look, and consists of hand made silk thread available in tobacco, sand or white colours.

Install the Clavius wall light on the beside, corridors and hallways or just about any room around your home. The lights are perfect for both residential and commercial projects, as well as in hospitality. A light that suits any interior and adds a vintage feel to it.
