PRODUCT DESCRIPTION

Designer: Michele De Lucchi & Giancarlo Fassina

Tolomeo LED Table Lamp by Artemide

The iconic [Artemide Tolomeo collection](#), designed by Michele de Lucchi and Giancarlo Fassina, introduces the Tolomeo LED table lamp. With flexibility and design for every desk and setting, this table lamp has a spring mechanism connecting the arms and a movable lampshade enabling you to direct the light where you want. The design is streamlined, using clean lines to produce a classic silhouette that will look amazing in many rooms.

The Tolomeo LED table light has an integrated light source and a dimmer switch, allowing you to adjust the brightness as you wish, whether you want to create a warm atmosphere or need a bright light for tasks. This table light can be used in the home, at the office or in public places, bringing a touch of renowned Italian manufacturing to the interior.
