PRODUCT DESCRIPTION

Designer: Shoichi Uchiyama

Louis Poulsen Enigma Pendant

Combining Japanese and Scandinavian design ideals, designer Shoichi Uchiyama first created the Louis Poulsen Enigma Pendant Light in 2003, being a new, deconstructed take on the traditional chandelier silhouette. The pendant is characterised by a simple, subtle coned light source with spherical, lightweight shades that are suspended underneath.

From afar, these shades appear to mysteriously float in mid-air, which is why the light is aptly named Enigma. The pendant light is available in 2 colour finishes, black or brushed aluminium and 2 sizes, the smaller Ø425 and the larger Ø545. The Enigma pPendant emits a soft, downward-directed light that is glare-free and reflects and emanates through the lower discs. Suitable for commercial settings and homes, this light looks best over tables and surfaces in kitchens and dining areas.

This pendant is available in a larger size, the Ø825. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

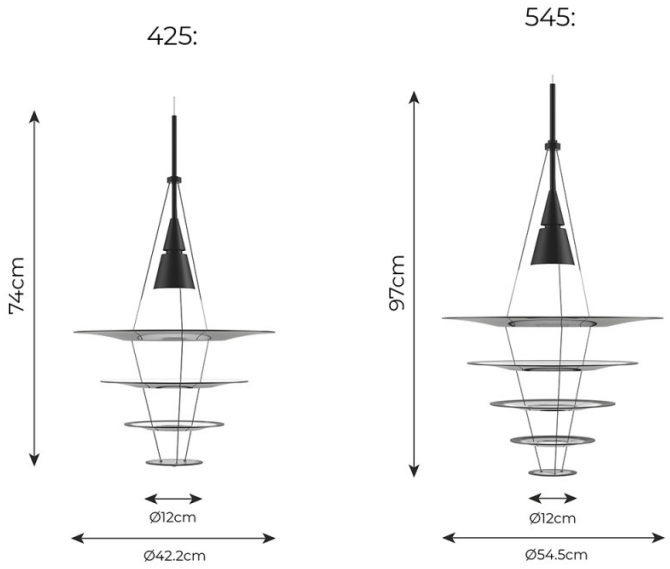

Light Source: 1 x Max 9W GU10 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: **Ø425**:
Pendant Width: Ø42.2cm
Height: 74cm
Bottom Shade: Ø12cm

Ø545:
Pendant Width: Ø54.5cm
Height: 97cm
Bottom Shade: Ø12cm
