PRODUCT DESCRIPTION

Designer: Ferruccio Laviani

Kartell Bloom Long Pendant

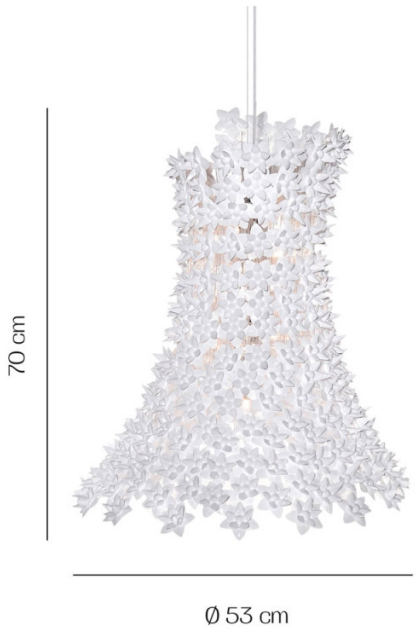

The Bloom Pendant, part of the Kartell Bloom collection, is a lavish designer light by Ferruccio Laviani. The pendant is formed by a tubular polycarbonate body, covered with numerous polycarbonate flowers and petals. A collection of small light sources within the structure emits illumination through the petals, which then refracts from its multifaceted surfaces to fill the room with hundreds of reflections.

The Kartell Bloom Pendant looks majestic on its own, but you can also combine it with other pendant lights of the **Bloom Collection** and create your own floral clusters. The Bloom is available in 4 colours: crystal, white, black or black/pink. One can say the Bloom is a modern interpretation of the classic lamp, creating a shiny splendour in the room.

Please Note: this product requires on-site assembly.

PRODUCT SPECIFICATION

Light Source:	9 x Max 4.5W G9 LED Non-Dimmable (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming when using a dimmable bulb.
Dimensions:	Ø53cm Height: 70cm Cable Length: 240cm
