PRODUCT DESCRIPTION

Designer: Giuseppe Maurizio Scutella

Pirce Ceiling Wall Light by Artemide

This sculptural and contemporary design by Giuseppe Maurizio Scutellà for Artemide, this is the wall version of Pirce light, an extension to the existing Pirce range. When illuminated, light is cast upwards to give an indirect glow - emphasising the white halo above and travelling through its centre for an atmospheric spectacle. Its distinct composition creates a magical effect with the lamp itself placed in the horizontal dish.

The sculptural, irregular laser cut discs of the Pirce Wall Light give a brilliant display of upward, indirect light, finished in painted aluminium.

See the rest of Artemide's [Pirce Collection](#).

PRODUCT SPECIFICATION

Light Source: 1x max 11W R7s (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: 37 cm width
22 cm depth
25 cm height
