Louis Poulsen PH 3/2 Academy Suspension Light

The PH 3/2 Academy suspension is made from 3 gorgeous glass lampshades, originally designed by Poul Henningsen in 1925-26. The 3-layered system of the shade was made to softly diffuse the light, being glare-free and effective to create an inviting atmosphere. The spiralled effect of the shade is based on logarithmic spirals, being a perfect combination of mathematical and design ideals.

The Louis Poulsen PH 3/2 Academy Suspension Light can be used in any space at home or in a commercial setting. The vintage and classic silhouette make this suspension a timelessly stylish light that retains all the original beauty from the 20s design. Use in lounges, bedrooms, hallways and many more for a chic finish to the interior.
