PRODUCT DESCRIPTION

Designer: Vilhelm Wohlert

Wohlert Pendant Light by Louis Poulsen

The Wohlert pendant light was designed after the former CEO of Louis Poulsen, Jens Kaastrup-Olsen, challenged Vilhelm Wohlert to design a pendant in 3 different sizes to be suitable for many shapes and styles of room. He also wanted Wohlert to create a light that was easy to maintain. And so he created the Satellite pendant which is now known as the Wohlert pendant, a light made from a simple opal glass lampshade with a sleek steel fitting.

The pendant lamp provides uniform, general and diffused lighting, perfect to use as a main feature light in any interior. The opening at the bottom of the glass also produces direct light, so is also suitable for hanging over tables and surfaces. The Wohlert pendant lamp is available in 3 sizes to find the right fit for you and can be used alone or in multiple depending on what aesthetic and needs you have for your setting.

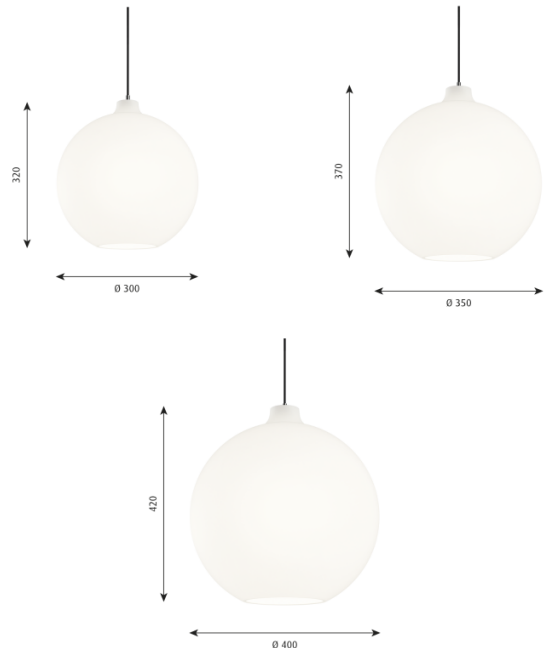

PRODUCT SPECIFICATION

Light Source: 1 x Max 21W E27 LED (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: **Ø300** - Ø30cm, Height: 32cm
Ø350 - Ø35cm, Height: 37cm
Ø400 - Ø40cm, Height: 42cm
