PRODUCT DESCRIPTION

Designer: Jasper Morrison

Flos Smithfield Ceiling Light

A timeless design by Jasper Morrison for Flos, the Smithfield Ceiling Light provides direct and diffused illumination. Named after the same London market which inspired the name, the Smithfield has a large yet shallow profile, allowing it to fit into small spaces with low ceiling height, despite its size.

Ideal for use in kitchens, hallways or in a workspace, the Flos Smithfield Ceiling Light is available in glossy green, glossy red, glossy black, mud grey, white and matt black. The **Smithfield Collection** also includes a pendant light, both in LED and retrofit options.

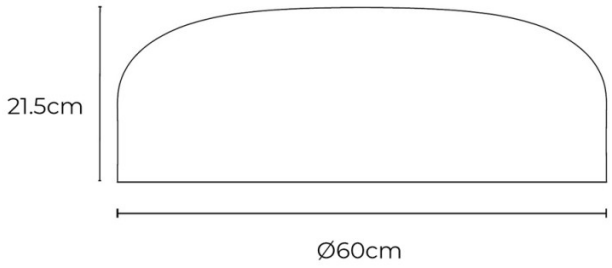

PRODUCT SPECIFICATION
