PRODUCT DESCRIPTION

Designer: Philippe Starck & Eugeni Quitllet

Kartell Bubble Club Sofa

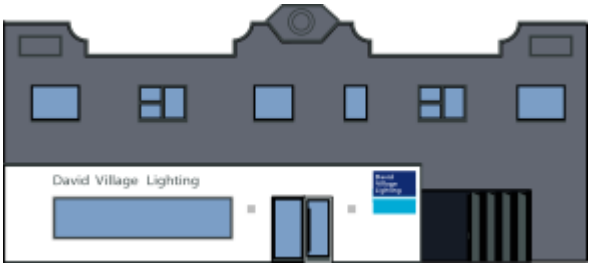

A pioneering new approach to traditional furniture, the Kartell Bubble Club is a minimalist reinterpretation of the sofa. Philippe Starck designed the Bubble Club furniture for Kartell, which in turn undertook research to allow for mass production of traditionally handmade furniture. This design is a comfortable two-seater sofa with curvy and soft lines, especially around the armrests. The sofa's soft design reminds us of the furniture you would find in your grandparents' living room.

The Kartell Bubble Club range, which also includes an **armchair** in the same colour options, is a great choice for garden furniture, by the pool or on the patio. The choice of material means the Bubble Club can withstand all weather conditions. The Bubble Club furniture is available in 6 colours: zinc white, light grey, ochre, powder, green and black.

PRODUCT SPECIFICATION
