PRODUCT DESCRIPTION

Designer: Ron Arad

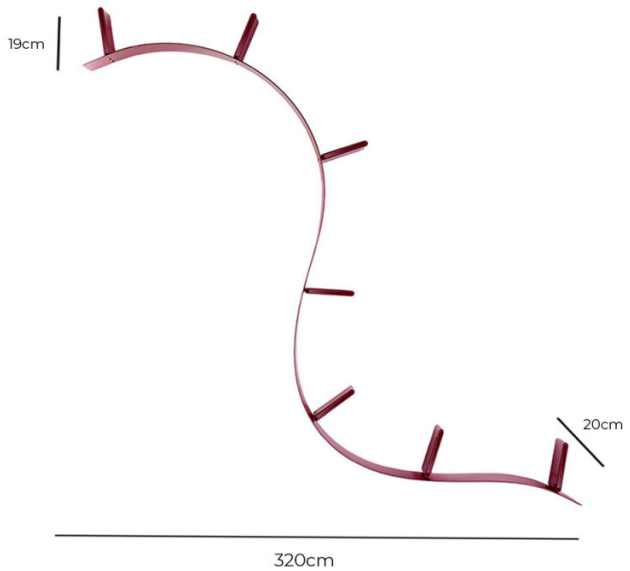

Kartell Bookworm with 7 Bookends

From the genius mind of Ron Arad and the technology of Kartell comes the Bookworm Shelf, a revolutionary and innovative bookshelf that can be shaped to any form you desire. Being both functional and stylish, this shelf maintains its toughness whilst also being able to be manipulated and shaped by the owner, meaning your own creativity can shine through.

The durability and strength of the Kartell Bookworm mean that it can handle a heavy load, with each bookend being able to carry a weight of 10kg. Available in 5 different eye-catching colours, this shelf can be used as part of any design scheme, both in the home and workspaces, adding a splash of creativity and colour to the room that is truly iconic and unique.
