PRODUCT DESCRIPTION

Designer: Verner Panton

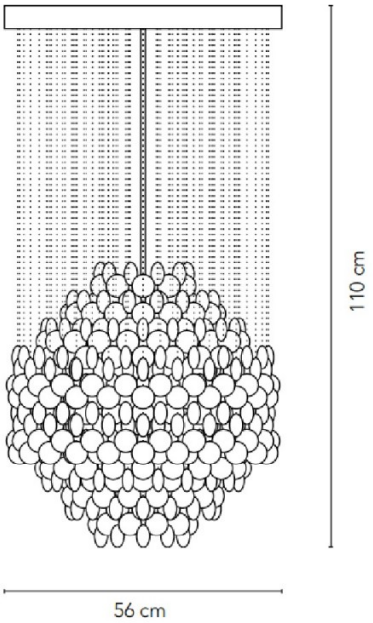

Verpan Fun 4DM Pendant

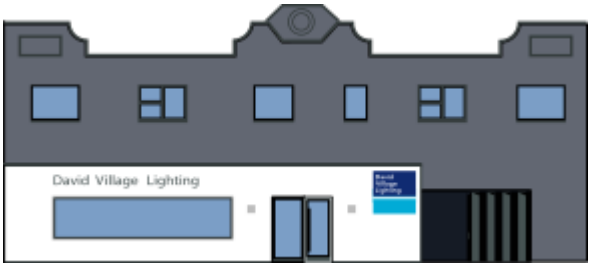

The Verpan Fun 4DM Pendant is intricately crafted from mother-of-pearl discs suspended from stainless steel chains. The **Fun Collection** is often regarded as one of Verner Panton's greatest masterpieces, beautifully showcasing the designer's playful approach to design. Expertly balancing sculptural form with functional lighting, the Fun 4DM is an elegant addition to both classic and contemporary interiors.

The Fun 4DM's sculptural form allows it to look captivating even when not in use. When illuminated, light filters through the seashell discs, creating a warm, shimmering effect that brings a sense of life to the pendant. Display above a dining table or in a living room to create a warm and welcoming atmosphere. In commercial spaces, the Fun 4DM suits boutiques, bars, or cosy restaurants, for beautiful statement lighting.
