PRODUCT DESCRIPTION

Designer: Carlo Urbinati & Alessandro Vecchiato

Foscarini Folio Wall Light

Designed by the founders of the Foscarini brand, the Folio Wall Light was one of the first designs from the company. Inspired by a piece of paper, the designers have created a wall light that looks like paper being stretched. The corners lip backwards towards the wall, creating a simplistic form that is made graphic and 3D. The wall lamp is mounted with a metal base which also houses the light source. The light then reflects off the wall and is diffused by the glass shade to produce a warm and practical glow.

The Folio wall lamp is subtle and classic, being able to slip into any design scheme thanks to its white finish. The wall lamp is also available in 2 sizes, small or large, so you can find the right fit for your space. Buy in multiple for larger spaces and mix and match sizes to create a compelling and unique pattern. Suitable for professional settings and homes, use in offices, corridors, lounges and more.

PRODUCT SPECIFICATION

Light Source: 1 x Max 150W R7s (excluded)

IP Code: 20

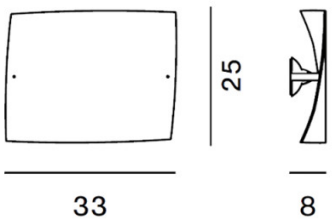

Dimming: Dimmable via mains phase dimming.

Dimensions:

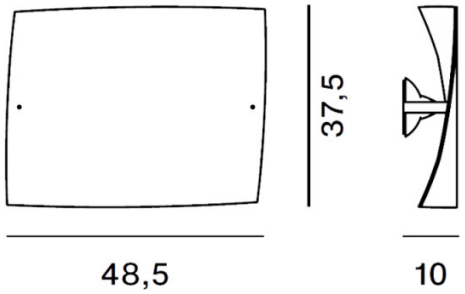

Small:
Width: 33cm
Height: 25cm
Depth: 8cm

Large:
Width: 48.5cm
Height: 37.5cm
Depth: 10cm

Small:

Large:
