PRODUCT DESCRIPTION

Designer: Atelier Oi

Foscarini Allegro Assai Pendant Light

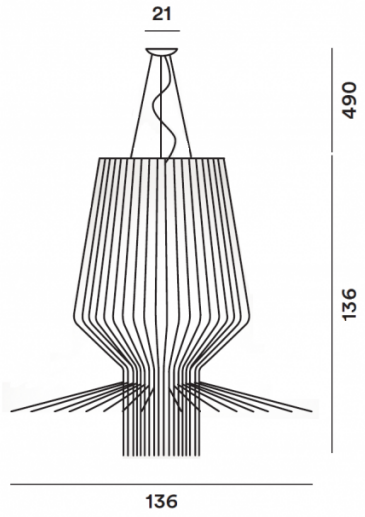

The Allegro Assai Pendant was designed by Atelier Oi and is part of the Foscarini Allegro collection, a range that is innovative and unique. The lampshade is made from metal rods, constructed to create an elegant, fascinating symphony in a suspended, almost magical equilibrium. The geometric shape and lines create a synergy that is lively and interactive, being a one-of-a-kind pendant light.

The Allegro Assai pendant light is made to feature in large public and private spaces. The pendant gives a diffused and direct light oriented downwards and reflected off the ceiling to bring a far-reaching illumination that can act as ambient light or as a spotlight. Use over tables and surfaces in rows or use as one main feature light. You can match this light with others from the collection to create variety or use the smaller version of this light for smaller spaces, available from the Foscarini Allegretto collection.

This light is available with an integrated LED light source. Please click here for more information.

PRODUCT SPECIFICATION

Light Source:	1 x Max 300W R7s + 1 x Max 100W E27 Par 30 (both excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø136.5cm Shade Height: 136cm Ceiling Rose: Ø21cm Cable Length: 490cm
