PRODUCT DESCRIPTION

Designer: Jasper Morrison

Glo-Ball Basic Table Lamp by Flos

The Glo-Ball Basic table lamp is available in two sizes: Basic 1 (small) and Basic 2 (large). Each version has the Glo-Ball's characteristic white, opaline and hand blown glass diffuser, while the base is made of reinforced fibreglass.

Emitting a diffused warm light, the Glo-Ball Basic table light is an excellent choice for your home or public spaces, especially hospitality. The in line dimmer switch is electronic and the dial allows for regulation of the brightness.

Two smaller table lamps are also available in the range: the [Glo-Ball Basic Zero](#) and the [Mini Glo-Ball Table lamp](#).

A compatible [Flos bulb](#) can be purchased separately. Please check individual bulb pages for product compatibility.
