PRODUCT DESCRIPTION

Designer: Jasper Morrison

Flos Glo-Ball Table Lamp

A stylish and minimalistic design by Jasper Morrison for Flos, the Glo-Ball Table Lamp was released in 1998. The diffuser is made from hand-blown opaline glass while the stem and base are made of high-thickness steel, creating a contemporary and chic look. The base is available in two elegant finishes, allowing you to choose between silver and black.

The Flos Glo-Ball Table Lamp emits a diffused glow and immediately adds a warm ambience to the room. An excellent choice for both residential homes, offices and commercial spaces, the table lamp also has an electronic dimmer on the cable, allowing you to adjust the brightness and create the perfect atmosphere for your room. You can complement your table lamp with a matching pendant, ceiling, wall or floor lamp from the **Glo-Ball Collection** for a more cohesive environment.

A compatible Flos 15W LED E27 T38 Dimmable Bulb can be purchased separately.
