PRODUCT DESCRIPTION

Designer: Marc Sadler

Foscarini Twiggy Pendant Light

The Twiggy Pendant is part of the **Foscarini Twiggy Collection**, a range designed by Marc Sadler that is sophisticated and innovative. With sleek and clean lines, the Twiggy Suspension Light is elegant and modern, emitting a softly diffused glow. The illumination is projected downwards but is also able to escape through the top of the rounded shade, providing a more even light dispersion.

The Foscarini Twiggy Pendant is available in either a classic black or white colour, with a lighting output that is wonderful for many spaces, specifically above dining tables, kitchen islands, work areas and commercial interiors such as hotels, restaurants and bars. It can be used alone or alongside other **Twiggy** designs.
