PRODUCT DESCRIPTION

Designer: Front

Moooi Horse Floor Lamp

The Horse Floor Lamp was designed by Swedish studio ‘Front’. Members of the studio, Sofia Lagerkvist and Anna Lindgren, admitted that people would either love or hate the **Animal Family Collection**. Created as one of Front’s first designs for Moooi, the collection stays true to the studio’s explorative and experimental approach to design. The Horse Floor Lamp has the same dimensions as its real-life counterpart, making it a statement piece in any setting.

When lit, the shade guides light into an upward and downward directional glow. This serves as a functional lighting that adds ambience to the room as well as illuminating the creature’s expressive face. Inevitably, the Horse Floor Lamp will become a centrepiece in the home, so it is perfectly suited to entrance halls or spacious sitting rooms. In commercial areas, the Horse Lamp will add a grand personality and welcoming ambient lighting that is perfect for hospitality settings such as hotels or restaurants.

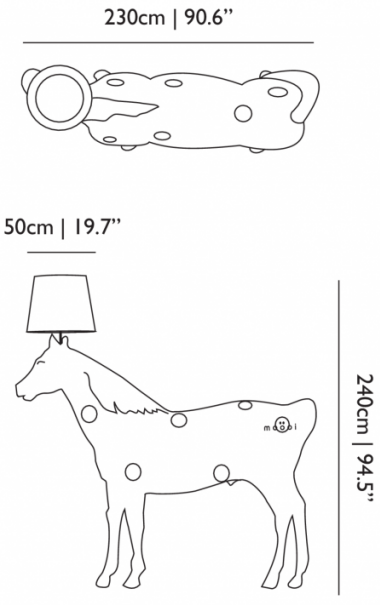

PRODUCT SPECIFICATION

Light Source: 1 x Max 60W E27 (Excluded)

IP Code: 20

Dimming: In-line on/off switch included on cable.

Dimensions: Shade: Ø50cm
Length: 230cm
Height: 240cm
Cable Length: 400cm
