PRODUCT DESCRIPTION

Designer: Philippe Starck & Eugeni Quitllet

Flos KTribe Floor Lamp

The KTribe Floor Lamp is part of the iconic **KTribe collection** that was designed by Philippe Starck in 2007 for Flos, and is a timeless design that will certainly catch the eye. The shade of the Flos KTribe boasts two components, an inner diffuser which holds the light bulb and directs it to the top of the lampshade, and an outside shade that directs the illumination downwards and is made either from fabric or coloured PMMA.

The Flos KTribe Floor Lamp has a dimmer switch included on the cable, meaning you can customise the lighting output and create the atmosphere you want. The lampshade and diffuser generate a soft glow that will easily fill the room with an inviting illumination. This floor lamp is available in two sizes (F2 or F3) and is perfect for lounges, bedrooms and dining rooms, and with 4 finishes to choose from, you can find the right colour for your space.
