KDLN E.T.A. Floor Lamp

The E.T.A floor lamp was designed by Guglielmo Berchicci and has become one of his most iconic designs. Formed of ecological fiberglass molded into its stunning shape. This lamp is available in a selection of vibrant colours such as white and orange. This floor lamp has been made iconic through its appearances in movies and TV, the striking design is easily recognisable on and off-camera.

Shaped by hand, the E.T.A floor lamp is described by KDLN as 'a sinuous object flooded with light that seems to arrive from faraway worlds to grace the space it occupies'. Place this iconic lamp in your living space or hallway to make a true design statement.
