KDLN E.T.A. SAT Suspension Light

The E.T.A SAT suspension light was designed by Guglielmo Berchicci and is described by KDLN as 'fluid, irregular shapes create an innovative, eye-catching equilibrium. A highly decorative object, ideal for communal spaces and show-stopping contract settings'. This fiberglass, hand-molded shade is available in four coloured finishes such as white and orange. When illuminated, this innovative shade is lit at two points within to create the feeling of fluidity and movement.

This attention to detail is clear throughout the whole design that as the shade is handcrafted and molded with care to form these bold and elusive designs. The choice of colours available demonstrates the 70s retro style that has made a recent comeback.

Ideal for over a table or in a hallway, this KDLN suspension would add a designer statement to your home. As seen on tv and in movies, the [E.T.A collection](#) by KDLN is a collection of iconic lights that would bring a talking point into your home.
