PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole TMD Table Lamp

Designed by Miguel Milá, the TMD Table Lamp is the Spanish designer's adaptation of his popular **TMM Floor Lamp**, reworked for table use. For the TMD, Milá swapped metal for wood and replaced the cross-shaped base with a circular one. These alterations result in a more discreet and elegant-looking table lamp, suited for use in professional settings. The lamp's adaptability was preserved for ease of use. Using a rubber ring on the stem, users can adjust the height of the shade as required. The parchment shade can rotate on its axis, allowing the light to adapt to its surroundings. The TMD Table Lamp can be switched on and off by a simple tug of the cord – a distinctive element that characterises the TMD.

The TMD Table Lamp is available in two sleek finishes: Satin Nickel and Chrome-Plated. The white parchment shade creates an effective contrast against the metal shade, softening the appearance of the industrial-looking frame. When illuminated, the shade diffuses light, creating a soft, glare-free glow that fills the surrounding space in a cosy ambience. Display at a bedside, in an office, or next to a sofa for an effective reading light that will add a sophisticated presence to the space.

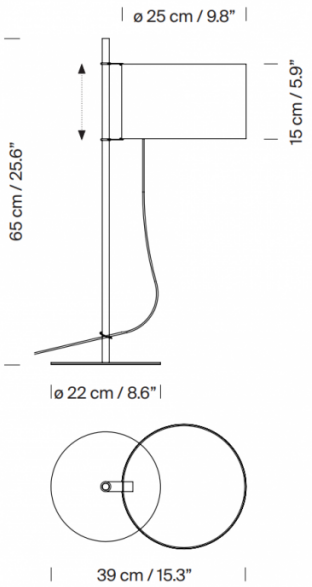

PRODUCT SPECIFICATION

Light Source: 1 x Max 3.4W E27 LED (Included)

IP Code: 20

Dimming: Integrated on/off switch on product.

Dimensions: Shade: Ø25cm
Shade Height: 15cm
Base: Ø22cm
Height: 65cm
Depth: 39cm
