PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole TMM Corto Wall Light

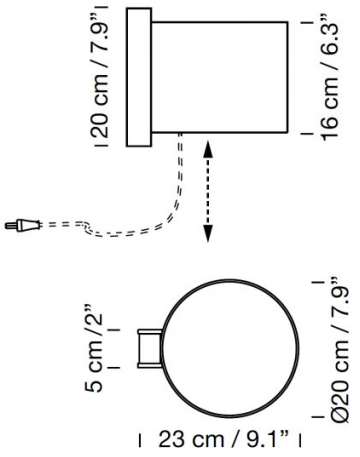

Designed by Miguel Mila in 1964, the TMM Corto Wall Light was recovered in 1995 by Santa & Cole, becoming a new addition to the TM collection. The Santa & Cole TMM Wall Light is reminiscent of a time when objects were practical and necessary, and strict functionality was inseparable from beauty.

The structure of this wall light is crafted from natural wood materials (available in either Beech Wood or Walnut) with a parchment shade (available in either White or Beige). The Santa & Cole TMM Corto Wall Light is available in two versions; either Hard Wired or With Plug; the With Plug installation option features an integrated on/off switch in the form of the cable. The cable can be pulled gently to turn the light source on or off.

Please Note: The With Plug connection needs to be installed near a socket. The Direct Wall version hard-wires into the mains and is controlled by a light switch.

PRODUCT SPECIFICATION

Light Source:	1 x Max 3.4W E27 LED (included)
IP Code:	20
Dimming:	**Cable and Plug**: Integrated on/off switch on the product. **Hard-Wired**: Dimmable via mains phase dimming.
