

## Luceplan Birzi Table

LA9057

SOURCE: <https://www.davidvillagelighting.co.uk/product/Luceplan-Birzi-Table/9258>

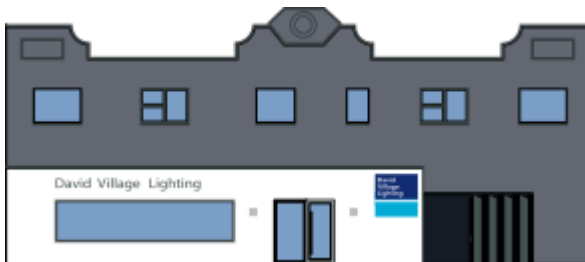

### PRODUCT DESCRIPTION

**Designer:** Giancarlo Fassina & Carlo Forcolini

Birzi is an ironic and playful light, designed to be “mistreated”, deformed and touched. Made of silicone, this lamp takes on different shapes and sizes according to the user’s whim.

Easy to use and to position, it is bump and fall resistant. The different colours – white, orange and green – flatter its silhouette, giving it a dynamic and contemporary look.
