Luceplan Costanza Floor Lamp

The Luceplan Costanza Floor Lamp is a minimalistic lamp that can adapt to a multitude of settings and design styles. The timeless look of the Costanza Floor Lamp perfect solution for tasteful furnishing styles. This lamp quickly becomes the centre of attention within the room, serving as an impressive eye-catcher. Although designed in 1986, the Costanza has lost none of its charm today and still is a popular lighting solution for both classic and modern décor styles.

This lamp features an interchangeable polycarbonate shade that rests on the aluminium structure at just two points and is available in five vibrant colours, providing a warm and inviting glow. The soft light is emitted both downwards and upwards, providing a functional reading light and creating ambient lighting for the whole room. The integrated four point dimmer further enhances this experience, offering four levels of brightness. The sensor dimmer rod is located conveniently close to the shade and is lightly touched to adjust light output. The ease of access to the dimmer ensures it can be conveniently operated when you are seated.

Also available as a telescopic version, with an adjustable stem and a wide range of colours
