Luceplan Costanza Telescopic Table Lamp

The Luceplan Costanza Telescopic Table Lamp is a perfect combination of modern technology and classic design. This light boasts an interchangeable shade that emits a warm light and is available in ten colours that are guaranteed to suit a range of interior style. This shade rests atop either an aluminium or a black base.

This version is easily height adjustable and comes complete with telescopic stem adjusting between 76cm - 110cm, meaning you can personalise it based on the needs of your space. The Costanza Telescopic also hosts an integrated dimmer in the form of a rod, easily accessible underneath the shade, that grants you with four different lighting levels - this enables you to adjust the intensity of light according to your own needs. This lamp is perfect for next to your sofa as a reading light, on your desk as a soft working light or even in your bedroom for an atmospheric mood light.
