Light Attack IONA LED Recessed In-Floor Light

SOURCE: https://www.davidvillagelighting.co.uk/product/Light-Attack-IONA-LED-Recessed-In-Floor-Light/9460

PRODUCT DESCRIPTION

Light Attack IONA LED Recessed In-Floor Light

This small, recessed in-ground light is discreet but can create a dramatic effect when used along pathways, decking, or by sliding glass doors. It is suitable for both interior and exterior applications.

Features a 38° beam angle. This light must be wired in series and comes with a black housing tube for installation.

Please Note: The Light Attack IONA In-Ground Light requires a 350mA remote driver that will need to be ordered separately. Up to 28 lights can be powered using one driver. Please contact us for further information.
