Prince Aha by Kartell

The thoroughly versatile Prince Aha was designed by the renowned Philippe Starck, the mind behind the iconic Louis Ghost Chair and Masters Chair. Conceived to resemble an hourglass, this stool can also be used as a side table or a stand and its simple yet stylish design means it is a great addition to any setting. With a matte finish and range of pastel colours, the Prince Aha can blend in easily to any colour scheme and its functionality make it one of the handiest and convenient pieces of furniture out there.
