PRODUCT DESCRIPTION

Designer: Santa & Cole Team

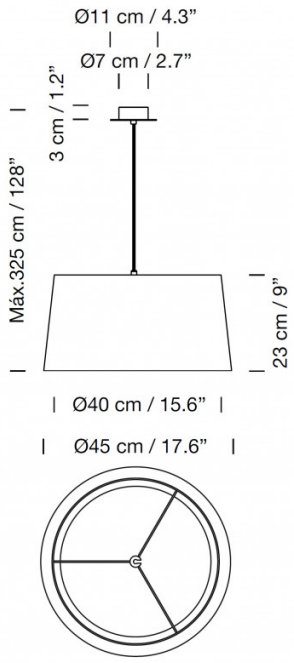

Santa & Cole GT6 Suspension

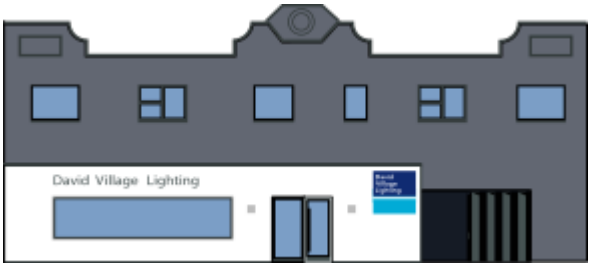

The GT6 pendant light is the smaller version of the GT5 pendant, a light that was first developed in the 1990s by the Santa & Cole team. The brand wanted to create a pendant lamp that was made from something different than the usual cardboard, textile or plastic that was dominating the design world. They developed a suspension light made from cotton ribbon, a beautiful alternative that has soft, inviting lines.

The GT6 pendant light is equipped with a PVC diffuser which creates a warm and diffused glow, perfect for creating a cosy ambience. The suspension is available in six ribbon finishes: red-amber, natural, black, or a white linen finish. Also, choose between a black or white cable and a satin nickel, white or black ceiling canopy. Use in homes, offices, commercial spaces, and more for main or accent lighting.

PRODUCT SPECIFICATION

Light Source:	1 x Max 11W E27 LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø45cm Shade Height: 23cm Ceiling Canopy: Ø11cm Max Drop: 300cm
