PRODUCT DESCRIPTION

Designer: Joana Bover

Bover Siam Ceiling Light

Designed by Joana Bover, the Siam Ceiling Light is guaranteed to make a statement. This ceiling light is available in a range of sizes, boasting a nickel plated structure and a curved ribbon shade - which is available in either cream or white.

Bover Siam Ceiling Light is available in four sizes: 80, 120, 150 or 200 - and all sizes are available in two colours. The luminaire produces both direct and indirect light, projecting it upwards towards the ceiling, but also providing a circular opening on the bottom with a methacrylate diffuser for the light to escape out of and spread into the room. Bover Siam lights emit an atmospheric and glare free illumination, perfect for any room in your home.
