### PRODUCT DESCRIPTION

**Designer:** Marcel Wanders

### VIP Chair by Moooi

Living up to its name, the V.I.P. chair is nothing less but a throne for royalty, while offering maximum comfort. Designed by one of Moooi's co-founders, Marcel Wanders, the VIP is an impressive and subtle giant. Wanders managed to design a chair that makes you feel like royalty when sitting on the VIP chair, but at the same time the toned down comfort of the chair will instantly match any interior decor. As an additional feature, the chair has nylon wheels hidden within the flared legs of the chair. This feature makes the VIP chair the perfect candidate for an office chair or conference room sitting.

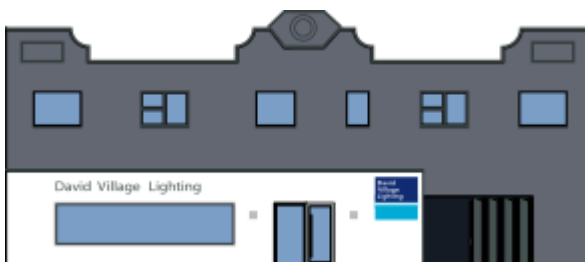

Moooi offers the possibility to choose between Kvadrat's [Divina 3](#) or [Divina Melange 3](#) fabrics to upholster your VIP chair. Divina 3, made of 100% wool, is available in 56 colours while Divina Melange 3 comes in 60 colours. This means you can be assured the V.I.P. chair will match any interior space, or add a colourful touch to it.

While the V.I.P. chair is here sold in a selected choice of fabrics and colours, you can choose a different Divina Melange 3 or Divina 3 colour. Please [contact us](#), for more information.

***Please note that any colours displayed digitally might vary slightly from the actual product.***
