Kartell Bloom Pendant

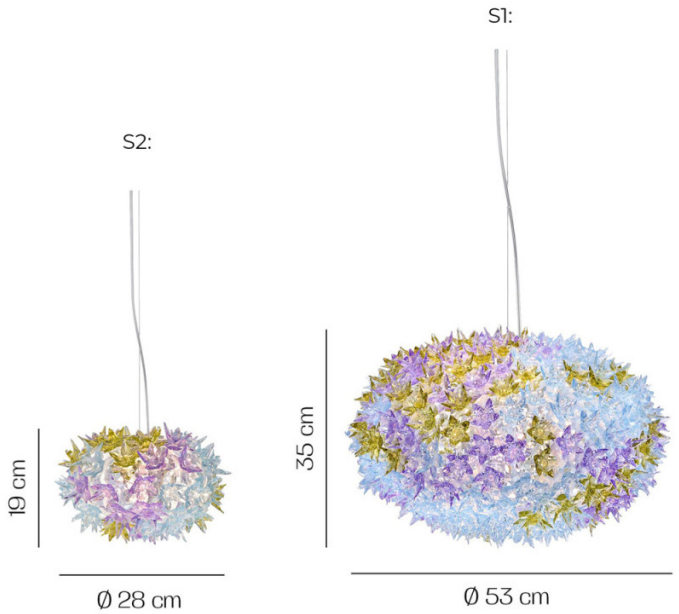

A beautiful, floral pendant available in two sizes, 4 colours, and 4 metallic options, the Kartell Bloom Pendant brings a refreshing and lavish look into your home. Bloom can stand beautifully on its own or be combined with other sizes or colours in the collection to create your own colourful clusters.

The Bloom Pendant resembles a delicate flower bouquet in colours of green, yellow, white, violet or just transparent crystal. Countless polycarbonate petals make up the silhouette, while the light comes from within the frame. The illumination beams through the flowers and then refracts from the faceted surfaces to create hundreds of reflections, resulting in a captivating ambience.

Please Note: this product requires on-site assembly.
