Fantasma Piccolo Floor Lamp by Flos

The Fantasma floor lamp by Tobia Scarpa is created with a white powder coated internal steel structure sprayed with a unique “cocoon” resin to create the diffuser which is then protected by a transparent sprayed on finish. The unique Fantasma floor light is a sculptural piece, providing not only a light source but also a source of distinctive design.

Providing soft diffused light, this floor lamp is ideal for large spaces both in residential and commercial settings including hotel, hospitality, leisure and education industries.
