PRODUCT DESCRIPTION

Designer: Ron Arad

Lovely Rita by Kartell

Designed by legend Ron Arad in 1996, the Lovely Rita book shelf for Kartell is both elegant and evocative as it emulates the shape of a flowing, folded ribbon. Having also designed the iconic [Bookworm](#) shelf in 1994, Arad's experimentation with different design materials is ever present with this shelf, as he cleverly manipulates plastic to create a beautifully contemporary piece of furniture.

Whilst stunning yet practical, this shelf can be mounted on the wall and used to store your books, magazine or any other objects. You can also choose to either have a singular standout shelf, or purchase several to combine and create a larger storage space. Available in three colours, black, cobalt and wine red, the artful Lovely Rita is the perfect choice to add a touch of modernity and elegance into your living or work space.

PRODUCT SPECIFICATION

Dimensions: 100 cm length
20 cm height
20 cm depth
