Oluce Sonora Opal Pendant

The Oluce Sonora Pendant, created by Vico Magistretti in 1976, is a timeless lighting solution that blends simplicity with sophistication. Featuring Magistretti's iconic dome shape, the pendant is designed to provide both direct and diffused lighting, making it ideal for a variety of settings. The Sonora is crafted from high-quality materials and is available in a range of finishes, including opal glass, painted metal, and bold white or black with gold interiors, ensuring it complements any décor style.

Available in multiple sizes, the Sonora Pendant is perfect for use over dining tables, kitchen islands, or in clusters to create a stunning focal point. Its understated elegance and versatile design make it equally suited to residential and commercial interiors, offering a stylish and practical lighting solution that stands the test of time.
