Oluce Atollo Opal Glass Table Lamp

The Oluce Atollo Opal Glass Table Lamp offers a refined take on Vico Magistretti's 1977 design. Featuring the same award-winning geometric form, this version replaces the metal construction with opaline blown Murano glass for a softer and more diffused light. The lamp's hemispherical shade and sleek cylindrical base create a harmonious silhouette, making it both a functional light source and a sculptural object. Perfect for adding a warm glow to interiors, the Atollo Opal Glass Table Lamp embodies timeless elegance and craftsmanship.

Available in small and medium sizes, the Atollo Opal Glass Table Lamp complements a range of interior styles, from contemporary to classic. Its gentle illumination is ideal for creating cosy atmospheres in living rooms, bedrooms, or professional settings. As a landmark in Italian design, the Atollo Opal Glass Lamp is a must-have for design enthusiasts and those seeking understated luxury.
