PRODUCT DESCRIPTION

Designer: Marcel Wanders**Skygarden S2 Pendant Light by Flos**

This product is an Offline Only exclusive, available only to buy from selected authorised Flos dealers. Please [contact us](#) for pricing or to arrange an appointment to discuss this product in our [showroom](#).

Inspired by an antique-decorated plaster ceiling affectionately known as the 'Skygarden' in a previous dwelling of Marcel Wanders, the Skygarden S2 Pendant Light is, on the outside, a simple, hemispherical shade that reveals an intricate and delicate plaster cast floral design inside.

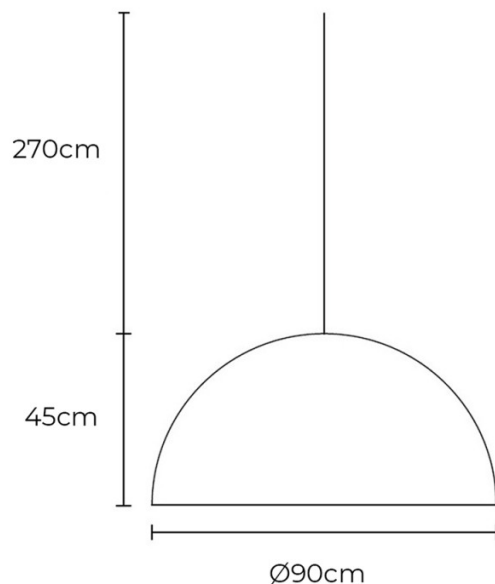

The Skygarden S2 Pendant, manufactured by Flos, provides a soft, diffused light and is a striking centrepiece to any room. The larger size is suitable for more extensive spaces with its diameter of 90cm, while the [S1 Pendant](#) is suitable for smaller residential spaces. If ceiling height is at a premium, the [recessed version](#) still provides all the decorative impact of the suspended versions.

Available in four colour finishes: glossy white, matt black, matt gold or rusty brown, the Skygarden S2 pendant lamp is an award-winning design, receiving the ELLE Décor International Design Award and the Red Dot Design Award in 2008.
