Oluce Lyndon 350/M Black Floor Exterior

SOURCE: <https://www.davidvillagelighting.co.uk/product/Oluce-Lyndon-350M-Black-Floor-Exterior/9888>

PRODUCT DESCRIPTION

At least once in our lives, we have dreamt of owning a house surrounded by a large garden, even a park, and of strolling round it in the evening when dusk falls and peace and tranquillity returns. This is why Vico Magistretti designed Lyndon in 1977 - he wanted to recount a dream. The total simplicity of its support is combined with the elaborateness of its composite head, a cloud of transparent globes. Recalling times gone by and atmospheres from European capital cities at the end of the 19th century in a modern vein.

Outside floor lamp. Zinc-plated black lacquered metal structure, globes in transparent polycarbonate. The Lydon 350/M is smaller than the Lyndon 350. Please see line dimensions in extra images.

PRODUCT SPECIFICATION

Light Source: 4 x E27 100W max (excluded)

Dimensions: Height: 200cm
Diffuser diameter (individual): 30cm
Base diameter: 70cm
