PRODUCT DESCRIPTION

Designer: Bruno Rainaldi

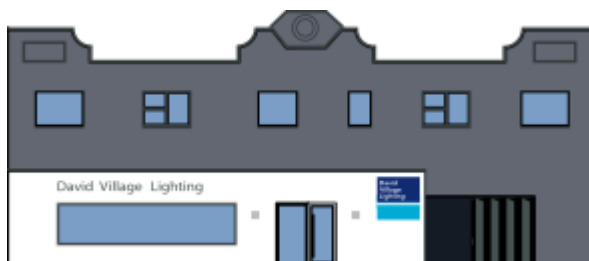

Terzani G.R.A. LED Suspension

Italian design mogul, Bruno Rainaldi created the G.R.A. Suspension for Terzani. It boasts a detailed structure that is the result of hours of craftsmanship by talented artisans who meticulously welded each ring together with care and precision. These rings are then fitted with LED technology in order to create a beautiful ambience. The Terzani G.R.A. LED Suspension is a delicate spherical pendant with an intricate shape that expresses a romantic glow, the illumination can be easily dimmed to personalise the intensity.

Available in three sizes as well as in nickel, gold plated or gold leaf finish, G.R.A. serves as an elegant, unobtrusive complement to any contemporary room. It is a perfect lighting solution for residential or commercial interiors and can be displayed individually or in clusters of various sizes and finishes.
