Terzani Stream 140 Suspension

Impressive presence in any room. Like Christian's other works for Terzani, Stream's design exploits the physical characteristics of the materials used to envelop a room in a unique immersive light. Here, over seven kilometers of metal chain appear to flow down from the undulating, nickel-plated frame. These cascading tiers project a streaking, yet tranquil, shadow throughout the room.

Designer: Christian Lava

Dimming: Dimmable via mains phase dimming.

Dimensions:

140cm Ø
